Motivated second-year Information Technology student at Thakur College of Engineering. Equipped with a strong foundation in HTML, CSS, JavaScript, and C++, with a demonstrated achievement of 5 stars on HackerRank in C++. Eager to leverage my technical knowledge and passion for coding to contribute effectively in a dynamic development environment. Committed to continuous learning and seeking opportunities to apply classroom learning to real-world projects. Enthusiastic about collaborating with a team to solve challenges and deliver innovative solutions.

HOBBIES

Outside of my academic pursuits, I am an avid photographer, passionate about capturing moments and exploring the world through the lens. Through photography, I embrace my creativity and strive to convey unique perspectives and emotions. Additionally, I find solace in the world of fiction reading, immersing myself in captivating stories and expanding my imagination. As an anime enthusiast, I appreciate the artistry and storytelling found in this vibrant medium, continuously discovering new worlds and characters.
